

WYNDHAM ORLANDO RESORT

Southern Association of Agricultural Scientists Convention
February 4 - 8, 2006

November 21, 2005

To: SAAS Program Chairs:

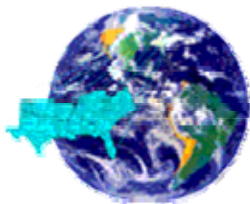

I hope all is going well with planning of our meetings.

Just a reminder, I will need your organization's program in electronic format (MSWord format preferred) to include in the SAAS's program by December 01, 2005. Please make sure you have the latest room assignments worksheet (www.saasinc.org). I have had to make several room assignment changes. Meeting space on Sunday and Monday will be tight.

Also, please continue to encourage your members to use SAAS's group rate and make reservations early. The hotel group rate lodging reservation deadline is January 13, 2006. The room reservation pickup is looking like we well have a very successful meeting!

Also, please don't forget to remind your members of the Opening General Session on Sunday afternoon February 5th on "The Future of Animal Agricultural in North America."

I am looking forward to seeing everyone in Orlando!!
